

**Public Notification of USDA Rural Development's
Finding of No Significant Environmental Impact**

The USDA-Rural Development has received a loan application for financial assistance from the City of West Wendover, Nevada. The specific elements of this proposed action are the construction of a city hall government complex.

Rural Development has assessed the potential environmental impacts of this proposed action and has determined that it will not significantly affect the quality of the human environment. Therefore, Rural Development will not prepare an environmental impact statement of this proposed action.

Any written comments regarding this determination should be provided within 15 days of this publication to:

Larry J. Smith
USDA Rural Development, State Director
1390 South Curry Street
Carson City, NV 89703

Rural Development will make no further decisions regarding this proposed action during this 15 day period. Requests to receive a copy of, or to review Rural Development's environmental assessment upon which this determination is based should be directed to Herb Shedd, at the address listed above.
